WHY CHURCH?

This past Sunday our youth helped with Rummage Sale set-up and also had Orchestra rehearsal. It was a great time to be a part of the church and have fun at the same time!

Some people say that it's possible to be a Christian without having to attend church or be part of a small group study. While this IS possible, it's not the best plan if you are trying to live a life of Christ and a life as a witness to the awesome gifts that God gives. Actively participating helps us reflect, learn and feel connected!

If you have not yet found an avenue to actively participate in the life of the church, I urge you to search for a spot where you feel cozy. Contact me and we can work out some possibilities that work with your schedule. Being part of a community that strives to do good in the world, while having fun at the same time is part of developing your faith. Take this Sunday for example—moving rummage from the Annex in the back parking lot to Gutherie hall doesn't seem fun, but when you are with a community of friends and adults, it can! The proceeds from the semi-annual NUMC Rummage Sale goes directly to our church budget and special projects like making the Parlor look awesome—and we are proud to help make that happen.

All of us have busy schedules and priorities set for where we designate our time to various avenues. As we grow into adults, we have to pick and choose what we want to do with the little bit of time we have. I hope that through worship, Sunday School, Youth Group, getFed, special activities, retreats, 30 Hour Famine and the other many activities that we provide for you, good practices and habits are learned and will help you figure out how to use your time wisely here at church.

Think about it... you can be a Detroit Tigers fan... but it would awfully lonely if you went to a game and you were all by yourself (and slightly eerie!)

Don't go to the game alone! Find a way to be in worship with other young Christians all the time. Make church a priority and allow the events that we offer a way for you to learn about life in Christian community. Please contact me if you need help finding your place in the community.

Peace & love,

Sarah
