Faith Forward in Feb.: "Plugged In"

Youth Sunday School Sundays @ 11am

As Christians, we're designed to be connected to God at all times—to be "plugged in" to the source. In this series we'll learn about how to get excited about staying connected to God. Everyone has an incredible path ahead of them, and this series will show you how you can be "plugged in" every step of the way—and the amazing difference it will make.

getFed Youth: Thor & Iron Man

Wednesday Youth Bible Study & Dinner

We will be watching "Thor" and "Iron Man." We will be discussing various topics such as being humble, personality and respecting others. Join us as we relate real-world topics to our spiritual life, tackling some of the most important topics to us as disciples!

(Thor & Iron Man are rated PG-13.)

Regular Meetings

Feb: Choosing Words Wisely
Sunday Evenings 6-8pm "Youth Group"

We will be discussing the power of words and the positive and negative weight that they carry. Two areas of focus will be discussed in Feb: 1.) "What's so funny?" (Positive & negatives) and 2.) "Can I Play, too?" (Inclusivity) Join us!
