# MISSION TRIP

God's Country Cooperative Parish

## **TRIP DATE:**

**AUG 29TH- SEPT 2ND**

**COST: \$175**

GCCP is located in the eastern part of UP of Michigan, amongst some of the most breath taken places to be in our beloved state. However, the isolation, harsh long winters and scarcity of jobs bring real challenges to this community. Through missions like the GCCP families are able to get help with various construction projects, affordable clothes and much more!
