GENERAL RELEASE

I give permission for _____ to participate in the activities of Newburg United Methodist Church (UMC) Student Ministry. I understand that this may mean, at times, my child may be off church property and riding in a vehicle driven by the paid or volunteer leadership of Newburg UMC, public transportation or chartered vehicle. In the event that my child may be injured, the volunteer or paid leadership of Newburg UMC has my permission to obtain medical treatment for my child, as they deem necessary. I agree that I will be responsible for all medical bills incurred by my child during these activities. I will not hold Newburg UMC or the volunteer or paid leadership liable for injuries my child incurs at these events. I understand that my child may be asked to leave an event if they are not behaving in a respectful and responsible manner. In the event that removal is needed, I understand any cost incurred will be my responsibility. I understand that it is my responsibility to update the information on this form as needed.

I understand that my child/youth will be participating in a number of activities throughout the year which carry with them a certain degree of risk. Some of the activities are riding in a vehicle, games, swimming, canoeing/kayaking, hiking, and camping, field trips, sports and other activities which the church may offer. I consent for my child to participate in these activities.

Further, and unless specified otherwise, consent/permission is hereby given to all accompanying adult volunteer leaders to hospitalize, secure proper treatment for, and to order injection, anesthesia or surgery (under recommendation of qualified medical personnel). Preference consideration should be given to those adults in attendance of the specific event (this may be noted on event permission slips). COVID-19: The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and health agencies recommend social distancing and increased sanitation practices by individuals and organizations.

Participation with NUMC may involve working, sleeping, eating, or recreating in close proximity to others. It may also involve working inside someone's home and/or necessitating touching surfaces, objects, building materials, tools, or equipment that others have touched. While NUMC has enacted sanitation procedures and behavioral protocols to mitigate against the risk of spread of COVID-19 or other infectious diseases, all risks cannot be eliminated. I assume all risks and hold NUMC harmless for any illness that may result from my involvement.
